

## Usage conditions

The information and product recommendations given here are intended to help the reader familiarise himself with the properties and possible applications of our products. All advice given in the product recommendations is based on the original lubrication details of the vehicle manufacturer. That includes the additional information, such as oil change intervals and system capacities. These product recommendations and oil change intervals apply exclusively to standard factory vehicles and normal usage.

The supplier's terms of delivery are applicable to all product deliveries.

The reader is advised to make the ultimate choice of product in consultation with the supplier, especially where critical applications are concerned.
